

Every year the school creates a School Improvement and Development Plan which lists the key areas for the school and each subject. Below is a summary of the key issues which will be central to the school's development this year.

DJS OVERVIEW OF KEY ISSUES - 2016-17

<i>Objectives</i>	<i>Success Criteria</i>	<i>Evaluation</i>
<p>To embed formative assessment procedures and practice</p>	<p>Consistent half termly formative assessment tests in place across the school Evidence of how gaps identified are feeding into short term plans and informing teaching Monitoring of assessments for sufficient challenge - how do they compare with other schools etc? Consult with Cluster schools on assessment procedures Write and implement a new Assessment Policy that details new procedures for formative and summative assessment. <i>Link how formative assessment is informing teaching to whole school performance management target.</i></p>	
<p>To develop an innovative and engaging curriculum.</p>	<p>Contact Cornerstones Curriculum View examples of themed based curriculum planning from other schools Share examples with staff Collect curriculum overviews and place on website Attend N2B2 autumn conference on curriculum Staff meeting/INSET time for planning</p>	

<p>To improve the progress of disadvantaged children in reading</p>	<p>Audit of current provision of pupil premium children. Where are the gaps? MR to run daily intervention groups, additional to English lessons, that include disadvantaged children for all ability levels: Autumn- Y5 Spring - Y6 Summer - Y3/4 Pupil progress meetings with DO/MR to be used for class teacher to discuss the progress of all disadvantaged children within their class. What are the issues? What actions have been taken? What more needs to be in place?</p>	
<p>To close the gap in outcomes between boys and girls in writing</p>	<p>Evaluate curriculum themes - Do they engage with boys? Lead staff through strategies to engage boys Meet with Maths and English leads to review curriculum and relevance to boys</p>	
<p>Develop and strengthen subject leadership</p>	<p>Subject Leaders carrying out an annual audit in their subjects developing an action plan for the year(s) ahead. This to be an annex to the School Improvement Plan Staff meeting timetable will have dates for when subject leaders will lead staff through subject developments, practice and expectations</p>	

DJS OVERVIEW OF KEY ISSUES - 2016-17

<p>To raise the profile of a Christian ethos within a church school setting</p>	<p>Meet with Maureen Vaissiere - Diocese support Implement Understanding Christianity RE syllabus - A Howell to attend CPD and share with staff Induction to church school headship day - D Oldham Improve visible symbols - prayer tree, prayer room, crosses in classrooms Display - what does the Bible say about the school values?</p>	
<p>To improve how learning is shared with parents</p>	<p>Each year group to hold a Reading/Maths café to parents Every year group to deliver a performance to parents around a topic taught</p>	
<p><u>Premises</u> 1. To have a fully operational swimming pool</p>	<p>Niche unit to be fully installed Quotes obtained for replacement cladding Committee to continue to meet monthly to plan community fund raising activities and review success of previous Committee to make relevant grant applications</p>	
<p>To allow the children access to the adventure paly area throughout the year</p>	<p>Obtain quotes for astro turf around play area Use Friends funds raised to cover costs</p>
