

## Remote Learning - Action Plan

<p><b>Remote education plan:</b></p> <p>There is a plan in place for remote education and a senior leader with overarching responsibility for the quality and delivery of remote education, including that provision meets expectations for remote education.</p> <p>The plan is underpinned by high expectations to provide the quality delivery of a planned curriculum for all (including vulnerable children and children with SEND), which is aligned as close as possible to the in-school curriculum.</p>	<p>All year groups will upload each day's learning onto Google classrooms by 9.00am</p> <p>All children in school will be taught the same curriculum as the children at home.</p> <p>SEND pupils to be given differentiated work if they can not access the work the rest of the year group are doing.</p>	<p><b>To help develop our remote education plan:</b></p> <p>BBC bitesize</p> <p>Oak Academy</p> <p>White Rose Maths</p> <p>Spelling Shed</p> <p>IDL Numeracy &amp; Literacy</p> <p>Twinkl</p>
<p><b>Communication</b></p> <p>Governors, staff, parents and carers are aware of the school's approach and arrangements for remote education.</p>	<p>All governors, staff, parents and carers are aware of our approach and arrangements for remote learning.</p>	<p>Email contact with class teacher</p> <p>Phone calls by the TA's to all parents.</p> <p>MR calling vulnerable children</p> <p>Newsletters and staff briefings</p> <p>Website information, including a guide for parents on the use of Google Classroom</p>

<p><b>Monitoring and evaluating</b></p> <p>The school has systems in place to monitor the impact of remote education. This includes:</p> <ul style="list-style-type: none"> <li>• understanding the impact on staff workload and how to mitigate against it</li> <li>• staffing changes</li> <li>• having access to appropriate management information (such as staff and pupil sickness and absence data) to help the school respond to changing contexts</li> </ul>	<p>The school has systems in place to monitor the impact of remote education,</p> <p>Learning is evaluated using the daily feedback form, quizzes and daily Zoom sessions.</p> <p>KL providing release time for teaching staff</p> <p>One staff member in school while the other year group team is supporting the remote learning. This reduces workload for staff.</p> <p>All staff are aware that they can email/call MR if timetabling is a problem.</p> <p>SLT monitor the consistency of provision across between year groups</p>	<p>Rota in place</p> <p>Communication with staff</p> <p>Staff sharing resources</p>

<p><b>Home environment</b></p> <p>The school is aware of the learning environment in the home and works with parents and families to understand and ensure that pupils will be able to access education at home.</p> <p>The school supports pupils on how to self-regulate during remote education, including:</p> <ul style="list-style-type: none"> <li>• understanding their strengths and weaknesses to improve their learning</li> <li>• how to learn from home</li> <li>• how to manage their time during periods of isolation</li> </ul>	<p>Paper packs being provided when appropriate</p> <p>Pupils who might lack digital access to support the remote education provision will be supported by school by providing them with a laptop and internet access.</p> <p>Daily live check ins for every child</p> <p>Recorded lessons are provided to allow families to access the learning at a time that suits them, allowing for the sharing of tech devices.</p>	<p>Laptops to be supplied to families</p> <p>Feedback forms, quizzes etc used to assess children's understanding of their strengths and weaknesses in order to improve learning</p>
<p><b>Laptops, tablets and internet access</b></p> <p>Where digital approaches are used, leaders are aware of any limitations to access to the internet, and suitable devices, for pupils which impact on remote education provision. Leaders have made suitable alternative arrangements to minimise the impact of these limitations, either by providing pupils with devices and/or internet access or ensuring appropriate offline provision where pupils without access are considered</p>	<p>Laptops to be delivered to all families in need</p> <p>Some children, although not officially classified as vulnerable, have been invited into school</p>	<p>A list has been created for children that need to loan a laptop</p> <p>Phone calls home to see if any families are needing to loan a laptop</p> <p>TAs used to photocopy paper pack as required.</p>

<p>vulnerable and are expected to come into school.</p>		
<p><b>Supporting children with additional needs</b></p> <p>Children and young people with high needs, including disadvantaged pupils, SEND and vulnerable pupils, have the right structures and provision in place to help remote education.</p> <p>This includes guidance for parents and carers on how to effectively support remote education, and ensuring pupils have access to the right hardware and software to support their needs.</p>	<p>Children with high needs in mainstream will be receiving differentiated work if they are unable to access the work that has been set for the rest of the class.</p>	<p>Oak National Academy provides resources for teachers to support children with additional needs.</p> <p>Staff are communicating with parents via Google classroom and MR is making phone calls.</p> <p>TA's to speak to all parents</p> <p>Online SEN learning provided through IDL Numeracy &amp; Literacy.</p>
<p><b>Monitoring engagement</b></p> <p>The school has systems for checking whether pupils are engaging with their work, and informs parents and carers immediately where engagement is a concern.</p>	<p>School checks whether pupils are engaging with their work and will inform parents and carers immediately where engagement is a concern</p> <p>Each year group provides feedback to the children</p>	<p>Class teachers monitoring engagement (numbers attending daily Zoom/completing daily feedback form)</p> <p>TA's and teachers to make phone calls to check any concerns around work.</p> <p>Parents are aware they can contact staff in school at any time if need be.</p>

<p><b>Minimum provision</b></p> <p>School sets work that is of equivalent length to the core teaching pupils would receive in school in an appropriate range of subjects, and as a minimum:</p> <ul style="list-style-type: none"> <li>• Key stage 1: 3 hours a day, on average, across the school cohort, with less for younger children</li> <li>• Key stage 2: 4 hours a day</li> <li>• Key stages 3 and 4: 5 hours a day</li> </ul>	<p>All pupils in school and at home will receive their appropriate length of lessons and a range of subjects</p>	<p>Staff are aware of remote education expectations from the government</p>
<p><b>Curriculum planning</b></p> <p>The school has a clear, well-sequenced curriculum that supports pupils both in class and remotely.</p> <p>This could include a remote curriculum that is identical to the one taught in class, one that is similar but adapted or one that is completely different.</p>	<p>School has a clear, well sequenced curriculum for pupils in class and those working remotely.</p> <p>The remote curriculum is very similar to the one taught in class</p>	<p>Oak Academy</p> <p>White Rose Maths</p> <p>BBC bitesize</p> <p>Teachers' own planning &amp; resources</p>
<p><b>Curriculum delivery</b></p> <p>The school has a system in place to support remote education, using curriculum-aligned, resources.</p> <p>Where remote education is taking place, it should include recorded or live, direct teaching time from the school or other</p>	<p>The school has a good system in place to support our remote learning. This is evidenced by overwhelmingly positive feedback form a number of parents.</p>	<p>White Rose recorded lessons used to support maths teaching</p> <p>Oak National Academy provides resources and guidance on how to map resources to a school's existing curriculum.</p>

<p>educational providers (such Oak National Academy), and time given for pupils to complete tasks and assignments independently.</p> <p>The school uses a digital platform to support effective communication and accessibility for all pupils, including those with SEND.</p>	<p>Our remote learning includes recorded lessons, live teaching if necessary and teaching time from other educational providers</p> <p>School is using their own systems to support effective communication and accessibility for all pupils.</p>	<p>All lessons accessed via Google classroom year group page.</p> <p>Children’s well-being supported through Google Classroom class page.</p> <p>Recorded lessons by teachers</p> <p>White Rose Maths videos</p> <p>Story time by our teachers</p>
<p><b>Assessment and feedback</b></p> <p>The school has a plan in place to gauge how well all pupils are progressing through the curriculum using questions and other suitable tasks.</p> <p>The school provides feedback, at least weekly, using digitally-facilitated or whole-class feedback where appropriate.</p>	<p>The school has a good plan in place to gauge how well all pupils are progressing. The school provides feedback, at least weekly and daily live check ins.</p>	<p>Contact with children and parents</p> <p>Daily feedback forms</p> <p>Online quizzes (Google form, with collated and individual results seen by teachers)</p> <p>Feedback to children through marking their work if paper copies are required due to no broadband</p>

<p><b>Effective practice</b></p> <p>Senior leaders are aware of all the guidance and ensure wider teaching/school staff are aware of (and how to access) resources available to support remote teaching.</p>	<p>Teaching staff are aware of resources available to support remote learning</p>	<p>Ofsted provides a good practice guide to support schools in their delivery of remote education. This has been shared with all staff</p>
<p><b>Staff capability</b></p> <p>Staff have access to the digital resources and tools (for example, textbooks, workbooks, platforms, devices and internet) they need to teach and support pupils remotely.</p> <p>Where used, staff have the appropriate training and support to use digital tools and resources, including how to ensure they are accessible for pupils with SEND.</p> <p>Where possible, the training provided is sustained and iterative to ensure staff continue to support effective teaching practice remotely.</p>	<p>Staff have access to the digital resources and tools that we need to teach and support pupils remotely.</p> <p>Staff have had some training in order to support the use of digital tools and resources.</p>	<p>Training provided on the use of Google classroom and the Daily Feedback Forms.</p> <p>Staff have been shown how to record lessons using Zoom.</p> <p>Further support has been given to allow staff to create quizzes as an assessment tool</p>

<p><b>Strategic partnerships</b></p> <p>The school is sharing best practice and making best use of capacity across schools to address any known gaps.</p>	<p>N/A</p>	
<p><b>Realistic expectations of pupils, parents and carers</b></p> <p>Parents and carers have clear guidance on how to support pupils at home, and how this is aligned to the remote education information required to be published on the school's website.</p> <p>Pupils understand the expectations on how many hours they should be learning and how to participate in remote education (for example, how to submit assignments).</p>	<p>Parents and carers have clear guidance on how to support pupils at home. Those that struggle are able to contact school at any time or tell the TA when they call.</p> <p>Information regarding remote learning can be found on the school website</p> <p>Children understand how they can participate in remote learning.</p>	<p>Calls home</p> <p>School website.</p> <p>Office staff to pass on any messages to class teachers.</p>
<p><b>School community events</b></p> <p>Pupils are given regular opportunities to attend and participate in shared, interactive lessons and activities to maintain a sense of community and belonging, especially disadvantaged and SEND pupils.</p>	<p>Daily live Zoom check ins</p> <p>Weekly assembly to whole community</p> <p>Class quizzes and competitions</p>	

<p><b>Ensuring safety</b></p> <p>There are clear safeguarding protocols in place to ensure pupils are safe during remote education. It is essential to have and communicate clear reporting routes so that children, teachers, parents and carers can raise any safeguarding concerns in relation to remote education.</p>	<p>Parents and carers are able to raise any safeguarding concerns at any time.</p> <p>School has clear safeguarding protocols in place to ensure pupils are safe.</p> <p>School has clear reporting routes so that children, teachers, parents and carers can raise any safeguarding concerns.</p>	<p>Calls to the office</p> <p>MR calling vulnerable families, some of which have been invited into school</p> <p>DSL to follow up any safeguarding concerns that arise as a result of remote learning</p>
<p><b>Online safety</b></p> <p>If the school chooses to provide remote education using live streaming and pre-recorded videos, teachers understand how to keep children safe whilst they are online.</p>	<p>Online safety has been taught in school and continues to be taught as part of the Computing Curriculum.</p>	
<p><b>Wellbeing</b></p> <p>Leaders, teachers and pupils are aware of how to spot potential wellbeing or mental health issues and how to respond.</p> <p>There are regular catch ups with pupils, one to one particularly for those that are most vulnerable.</p>	<p>Staff are aware of potential wellbeing problems.</p> <p>Resources to support well being have been shared on VLE and twitter</p> <p>Phone calls and daily check ins.
