Statement of intent

Drayton CE Junior School believes that, in order to facilitate teaching and learning, acceptable behaviour must be demonstrated in all aspects of school life.

The school acknowledges that behaviour can sometimes be the result of educational, mental health, other needs or vulnerabilities, and will address these needs via an individualised graduated response.

As a school we are fully committed to:

- Promoting high standards of behaviour that support social and educational development.
- Encouraging good self-esteem, self-discipline, proper regard for authority, and positive relationships based on mutual respect and care for others.
- Ensuring equality and fair treatment for all.
- Acknowledging, praising and rewarding good behaviour.
- Challenging and disciplining misbehaviour.
- Providing a safe environment, free from disruption, violence, discrimination, bullying and any form of harassment.
- Encouraging positive relationships with parents/carers.
- Developing positive relationships with pupils to enable early intervention.
- Promoting a culture of praise and encouragement in which all pupils can achieve.

To help reduce the likelihood of behavioural issues related to social, emotional or mental health (SEMH), the school aims to create a safe and calm environment in which positive mental health and wellbeing are promoted and pupils are taught to be resilient.

The school aims to promote resilience as part of a whole-school approach using the following methods:

- **Culture, ethos and environment**: The health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment.

- **Teaching**: The curriculum is used to develop pupils' knowledge about health and wellbeing, supporting pupils to develop self awareness while learning strategies to take care of their mental health.

- **Community engagement:** The school proactively engages with parents, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing.

Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health.

For the purpose of this policy, the school defines "low level unacceptable behaviour" as any behaviour which may disrupt the education of the perpetrator and/or other pupils, including, but not limited to, the following:

- Lateness
- Low level disruption and talking in class
- Failure to complete classwork
- Rudeness
- Refusing to complete homework, incomplete homework, or arriving at school without homework
- Use of mobile phones without permission from school staff
- Graffiti

"Low level unacceptable behaviour" may be escalated as "serious unacceptable behaviour", depending on the severity of the behaviour.

3. Sexual abuse and discrimination

The school will respond promptly and appropriately to any sexual harassment complaints in line with the Safeguarding & Child Protection Policy; appropriate steps will be taken to stop the harassment and prevent any reoccurrence. Discipline for incidents of sexual harassment will be determined based on the nature of the case, the ages of those involved and any previous related incidents.

4. Smoking and controlled substances

In accordance with part 1 of the Health Act 2006, this school is a smoke-free environment. Parents, visitors, staff and pupils are instructed not to smoke on school grounds. The school has a zero-tolerance policy on illegal drugs, legal highs and other controlled substances. Protection and Safeguarding Policy.

5. Prohibited items, searching pupils and confiscation

Headteachers and staff authorised by them have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item. All members of staff can use their power to search without consent.

6. Positive relationships and approach

Positive teacher-pupil relationships are key to combatting challenging behaviour. Drayton Junior School staff employ time and energy into forming these relationships to allow teaching staff to understand their pupils and create a strong foundation from which behavioural change can take place.

Staff may employ a number of strategies to establish positive relationships with their pupils such as:

- Greeting and welcoming pupils as they enter the classroom.
- Ensuring pupils understand what is expected of them and praising when it is achieved.
- Creating a positive environment where every pupil feels comfortable and respected.
- Showing an interest in each pupil's interests, talents, goals, likes/dislikes, their family.
- Engaging with pupils during lessons through a range of communication strategies.
- Focussing on using positive language when interacting with pupils.

Within the classroom, teachers establish clear expectations for manners and respect for pupils – this includes:

- Acknowledging and giving praise when a pupil demonstrates good manners.
- Reminding pupils to treat others with respect
- Informing pupils of the importance of treating others the same way they like to be treated.

7. Effective classroom management

Well-managed classrooms are paramount to promoting good standards of behaviour preventing disruptive and unacceptable behaviour. The school understands that effective classroom management allows staff to:

- Start the year with clear sets of rules and routines that are understood by all pupils.
- Establish agreed rewards and positive reinforcements.
- Establish sanctions for misbehaviour.
- Establish clear responses for handling behavioural problems.
- Encourage respect and development of positive relationships.
- Make effective use of the physical space available.
- Have well-planned lessons with a range of activities to keep pupils stimulated.

Subject to reasonable adjustments, e.g. those made for pupils whose SEND may affect their behaviour, pupils will be expected to follow the school Pupil Code of Conduct, which requires pupils to:

- Conduct themselves around the school premises in a safe, sensible and respectful manner.
- Arrive at class on time, with the required equipment if appropriate.
- Follow reasonable instructions given by staff.
- Behave in a reasonable and polite manner towards all staff and pupils.
- Show respect for the opinions and beliefs of others.
- Complete classwork as requested.
- Hand in homework at the time requested.
- Report unacceptable behaviour.
- Show respect for the school environment.

Classroom rules and routines

Each classroom has an established set of rules (visible in classrooms) and routines to help pupils work well, in the understanding that behavioural problems can arise due to the lack of a consistent routine. This includes teachers ensuring that before lessons begin, they have the full attention of all pupils, then explaining the task clearly so all pupils understand what they are supposed to be doing. Teachers support pupils to understand and follow classroom rules and routines. Teachers inform pupils of classroom rules and routines at the beginning of the academic year and revisit these when necessary. Where appropriate, teachers explain the rationale behind the rules and routines to help pupils understand why they are needed, and will model rules and routines to ensure pupils understand them. Teachers also explain clearly to pupils what will happen if they breach any classroom rules to ensure pupils are aware of the sanctions that may be imposed.

To support pupils' continued awareness and understanding of classroom rules and routines, teachers reinforce them in a range of ways, e.g. placing posters of the rules on classroom walls and providing regular verbal reminders of the routines. Teachers also ensure that classroom rules and routines remain consistent and are practised throughout the year to create a more productive and enjoyable environment.

The classroom environment

Drayton CE Junior School understands that a well-structured classroom environment is paramount to preventing poor behaviour. This includes the teacher positioning themselves effectively within the classroom. Teachers employ strategic seating arrangements to prevent poor behaviour and enable it to be noticed early, such as:

- Seating those who frequently model poor behaviour closest to, and facing, the teacher.
- Seating those who frequently model poor behaviour away from each other.
- Ensuring the teacher can see pupils' faces, that pupils can see one another, and that they can see the board.
- Ensuring the teacher can move around the room so that behaviour can be monitored effectively.

Praise and rewards

Drayton CE Junior School recognises that recognition and praise are key to ensuring pupils feel valued and their work and efforts are celebrated. When giving praise, teaching staff ensure:

- They define the behaviour that is being rewarded.
- The praise is given immediately following the desired behaviour (or at the earliest time).
- The way in which the praise is given is varied.
- Praise is related to effort, rather than only to work produced.
- Perseverance, resilience and independence are encouraged.
- Praise is only given when a pupil's efforts, work or behaviour need to be recognised, rather than continuously without reason.
- The praise given is always sincere and is not followed with immediate criticism.

Whilst it is important to receive praise from teachers, the school understands that peer praise is also effective for creating a positive, fun and supportive environment. Teachers encourage pupils to praise one another, and praise another pupil to the teacher, if they see them modelling good behaviour.

As with praise, the school understands that providing rewards after certain behaviour means that pupils are more likely to model the same behaviour again. For rewards to be effective, the school recognises that they need to be:

- **Immediate** – immediately rewarded following good behaviour.
- **Consistent** – consistently rewarded to maintain the behaviour.
- **Achievable** – keeping rewards achievable to maintain attention and motivation.
- **Fair** – making sure all pupils are fairly rewarded.

The school has a number of options for rewards that can be given to pupils. These include social rewards, e.g. positive contact with parents, physical rewards, e.g. certificates, stickers, trophy and activity-based rewards, e.g. additional play time.

8. Managing unacceptable behaviour

At Drayton CE Junior School instances of unacceptable behaviour are taken seriously and dealt with immediately. Records are kept on CPOMS and these are available to identify pupils whether behaviour may indicate potential mental health problems.

After an initial incident of negative behaviour, the following sanctions are implemented:

- The pupil is spoken to by a member of the staff team (often the Class Teacher, Teaching Assistant or MSA), where the facts are ascertained and the seriousness of the behaviour incident is determined. If appropriate a verbal warning is given and the pupil's parent/s may be contacted by the class teacher.
- If the behaviour incident is deemed to be serious (or to avoid disruption to lessons), the pupil is sent to a member of SLT immediately or, in their absence, the most senior member of staff.
- A member of SLT will investigate the incident and decide whether it constitutes unacceptable behaviour.
- If a member of SLT deems the incident to be unacceptable behaviour, they will record the incident on CPOMS and share this with the class teacher.
- Where deemed necessary, a sanction may be imposed such as missed playtime, isolation from peers, etc….
- Where deemed necessary, the member of SLT will inform the pupil's parents and invite them to discuss the incident.

Following repeated incidents of unacceptable behaviour or a significant serious behaviour incident, the following sanctions may be implemented:

- The Headteacher will consider whether the pupil should be excluded for a fixed term and will determine the length of the exclusion.
- Although unacceptable behaviour does not necessarily mean a pupil has SEND, the Senco may decide that an informal (or formal) assessment is required to determine whether there are any undiagnosed learning or communication difficulties, or mental health issues that may be contributing to the pupil's behaviour.
- Where a pupil is identified as having SEMH-related difficulties, SEND support will be put in place based on any identified needs, resources available, priorities, etc…
- Where SEND is not identified, but the Headteacher determines that support is still required for the pupil, an Individual Behaviour Plan (IBP) will be created to outline the necessary provisions in place.
- A decision to discipline a pupil is made by a paid member of school staff, or a member of staff authorised to do so by the Headteacher.
- The decision to discipline a pupil is made on the school premises or whilst the pupil is under the charge of a member of staff, such as during an educational trip or visit.
- The decision to discipline a pupil is reasonable and will not discriminate on any grounds, as per the Equality Act 2010.

The school will ensure that all discipline is reasonable in all circumstances, and will consider the pupil's age, religious requirements, SEMH needs, any SEND, and any other relevant information.

9. Prevention strategies and sanctions for unacceptable behaviour

De-escalation strategies

Where negative behaviour is present, staff members will implement de-escalation strategies to diffuse the situation employing strategies shared on Step On/Up training.

This includes:

- Appearing calm and using a modulated, low tone of voice
- Using simple, direct language
- Using agreed scripts (Step On)
- Using distraction techniques
- Avoiding being defensive, e.g. if comments or insults are directed at the staff member.
- Providing adequate personal space and not blocking a pupil's escape route unless it presents a danger to them.
- Showing open, accepting body language, e.g. not standing with their arms crossed.
- Reassuring the pupil and creating an outcome goal.
- Identifying any points of agreement to build a rapport.
- Offering limited choices
- Offering the pupil a face-saving route out of confrontation, e.g. that if they stop the behaviour, then the consequences will be lessened.
- Rephrasing requests made up of negative words with positive phrases, e.g. "if you don't return to your seat, I won't help you with your work" becomes "if you return to your seat, I can help you with your work"

Physical intervention

Physical restraint will only be used as a last resort, based on a balance of risk, and as a method of restraint. Staff members will use their professional judgement of the incident to decide whether physical intervention is necessary. Wherever possible, staff will ensure that a second member of staff is present to provide support.

Any violent or threatening behaviour will not be tolerated by the school and may result in a fixed-term exclusion in the first instance. It is at the discretion of the Headteacher as to what behaviour constitutes for an exclusion.

When using reasonable force in response to risks presented by incidents involving pupils with SEND or medical conditions, the school will recognise and consider the vulnerability of these groups.

Calming Space/Room

The school may decide to move pupils to a separate room or space away from other pupils for a limited period .The school will only move pupils to where absolutely necessary. The school will ensure that pupils' health and safety is not compromised during time away from the classroom environment, and that any additional requirements, such as SEND needs, are

met. The amount of time that a pupil spends out of the classroom will be up to the school to decide. This could be for more than one school day. The school will ensure that the pupil is not kept in an isolated space any longer than necessary.

10. Consequences

- Consequences will be given in a calm, professional manner.

- Where possible the consequence will be timely so that the poor behaviour can be addressed whilst it is still in the child's mind.

- Consequences will be linked to the negative behaviour, used as a learning opportunity, aiming to be restorative.

- After a pupil receives a consequence, the first opportunity to praise should be found, encouraging their change of behaviour

Every day is a fresh start.

10.1. Staff at Drayton CE Junior School make every effort to keep parents informed, if their child has behaved in a manner of particular concern. Where they have judged this to be the case either the class teacher or member of the senior leadership team will contact all relevant parents.

10.2. Should a child's behaviour continue to be an issue then parents will be invited into school to meet with the Headteacher and/or Deputy Headteacher so that an agreed plan can be put into place.

10.3. Although challenging behaviour does not necessarily mean a pupil has SEND needs, if deemed necessary, an informal (or formal) assessment may be required to determine whether there are any undiagnosed learning or communication difficulties, or mental health issues that may be contributing to the pupil's behaviour.

10.4 The school will ensure that all consequences are reasonable and restorative in all circumstances, and will consider the pupil's age, religious requirements, SEMH needs and any SEND.

11. Behaviour off school premises

11.1. Pupils at the school must agree to represent the school in a positive manner.

11.2. Staff may address the misbehaviour of pupils off the school premises when the pupil is:

- Travelling to or from school.
- Taking part in any school-related activity.

11.3. Complaints from members of the public about misbehaviour by pupils at the school will be dealt with in accordance with this policy.

12. Staff training

12.1. Staff members are provided with sufficient training in de-escalation strategies and dealing with disruptive and challenging behaviour.

12.2. Training may also be refreshed in light of recent incidents and challenging behaviour, or where it is apparent that existing methods are not as effective as they could be.

12.3. Staff members are trained in the approved methods of de-escalation and physical intervention in line with local authority "Step On training"

12.4. Under this training staff will use "sideways on hugging" when a child approaches, wanting to be comforted.

12.5. Where a staff member has joined the school, post whole school Step On training, the above strategies will be shared as soon as possible.

13. Monitoring and review

13.1. This policy will be shared with the wider community via the school's website – www.draytonjunior.norfolk.sch.uk– with paper copies available upon request.
