Relationships rooted in care and respect

Embracing collaboration and compassion

At Drayton CE VC Junior School, we are committed to fostering a community rooted in humility and respect. Guided by the principle of honouring others, as well as ourselves, we strive to cultivate an environment where everyone flourishes. We encourage our learners to care for one another, embracing collaboration and compassion in all they do. Together, we aim to create a supportive and inclusive atmosphere that nurtures not only academic excellence but also the spiritual and moral development of every individual.

Behaviour

- We have high expectations of behaviour in the school & community.
- We want everyone to feel safe, supported and listened too.
- We want to work collaboratively with parents and families.
