<tr>
<td rowspan="3">As readers we will be focusing a range of texts and developing our VIPERS skills (vocabulary, infer, predict, explain, retrieve and summarise) to improve our comprehension of texts. We will be reading ‘High Rise Mystery’ which involves a detective duo and lots of curiosity.

As writers we will be developing our skills to write an exciting newspaper report and persuasive letter.

Each week, we will develop our spelling, grammar and punctuation as well as our handwriting through the Oxford Owl scheme.</td>
<td>As scientists we will studying life cycles of animals and the reproduction of plants and animals. We will also be looking at the change in humans we grow into old age. We will be comparing a range of everyday materials and exploring their properties. We will be working scientifically to carry out experiments to explore their change of state.</td>
<td rowspan="2">As mathematicians we will be revisiting multiplication and division focusing on skills such as:
• Multiplying by 2-digits numbers
• Solving multiplication problems
• Dividing by 1 and 2-digits
• Solving multiplication and division problems.</td>
</tr>
<tr>
<td>In RE we will be revisiting Humanism and focusing on the purpose of life and the philosophy of happiness.</td>
</tr>
<tr>
<td>In PSHE we will be continuing with our Jigsaw scheme and focusing on our dreams and goals as we begin a new year.</td>
<td>As artists we will be drawing from simple perspectives and using a single focal point. We will also be creating a colour palette using colour mixing techniques. In DT we will be selecting appropriate materials and creating a step-by-step plan to create an accurate model of Alchemy Island.</td>
</tr>
<tr>
<td>In music we will be learning about melody and tonality</td>
<td rowspan="2">As geographers we will be using references to identify locations on a map as well as learning a range of symbols used in Ordinance Surveys. We will be collecting data to create graphs as well as comparing images and documents.</td>
<td>In computing we will be learning how to stay safe online and using ‘Google Interland.’</td>
</tr>
<tr>
<td>In PE we will be learning the rules and skills used in basketball, football and hockey, along with cross country.</td>
<td>In French we will be practising our oral and written skills to learn about school subjects.</td>
</tr>
