Drayton C of E Junior School Curriculum Map

Year 3
Summer Term part 1
FLOW

As **readers** we will be exploring a range of texts including 'Dragonology' by Ernest Drake. As **writers** we will be creating explanation texts using a wide range of descriptive skills. We will also finish writing our descriptive narratives.	As **geographers** we will be using maps and atlases to identify the key geographical features, mountains, coastlines and rivers of the UK. We will be following the journey of a river as well as identifying the four stages of the water cycle.	As **mathematicians** we will be covering key objectives from the National Curriculum including learning how to tell the time and use various units of time. We will also begin to explore money problems and fractions of a set.
In **RE** we will be looking at how Christians belong to their faith.	In **DT** we will be examining the structure of bridges and using this knowledge to inform our own bridge designs.	As **artists** we will be looking at artists including Monet and Seurat and exploring how they use light and dark in their paintings. We will be using these artists to inspire our own art work.
In **PSHE** we will be learning about different relationships between family and friends, children around the world and how to be safe online.	In **Music** we will be listening to, composing and creating major pentatonic melodies	As **Computer Scientists** we will be learning about how to be safe online, how to communicate with others and how to be careful with online adverts.
In **PE** we will be looking at athletics and preparing our skills for sports day. We will also be learning how to play rounders, cricket and tennis.		In **French** we will be learning about members of the family and the French alphabet.
