Drayton C of E Junior School Curriculum Map

<table>
<tr>
<td>
</td>
<td>Year 3
Summer Term part 2
Light and Shadows
Plants, Animals & Us</td>
<td>
</td>
</tr>
<tr>
<td>As readers we will looking at non-chronological reports. As writers we will be looking to write non chronological reports about animals as well as stories using a wide range of descriptive skills and techniques.</td>
<td rowspan="3">As Scientists we will be studying two topics: Light and Shadow and Plants, Animals and Us. In these topics we will be learning:
How light travels,
How shadows are made and how they change,
How to protect ourselves from the sun.
The key features of a plant and their functions
Growing conditions of plants
The life cycle of flowering plants
How humans and animals require nutrition
How animals and humans have skeletons and muscles for support.</td>
<td>As mathematicians we will be covering key objectives from the National Curriculum including:
Telling the time and solving time problems.
Recognising, identifying features of and drawing 2 and 3D shapes
Reading and drawing pictograms and bar graphs.
Handling and collecting data.</td>
</tr>
<tr>
<td>In RE we will continue to look at ‘What is the Trinity?’</td>
<td>As artists we will be looking at drawing different aspects of nature including plants and animals, using a range of techniques and mediums.</td>
</tr>
<tr>
<td>In PSHE we will be learning about how babies grow and how bodies change to make babies. We will also be learning about different roles in different families.</td>
<td>In Music we will be learning to sing and perform rounds for our class.</td>
<td>As Computer Scientists we will be creating our own branching stories using Google Slides.</td>
</tr>
<tr>
<td>In PE we will be looking at athletics and preparing our skills for sports day. We will also be learning how to play Rounders, Cricket and Tennis.</td>
<td></td>
<td>In French we will be learning about family members, household items, food vocabulary and the numbers 21-31.</td>
</tr>
