</td>
<td><h2>Year 5</h2><h3>Autumn Term part 1</h3><h2>Stargazers</h2></td>
<td>
</td>
</tr>
<tr>
<td rowspan="4">As readers we will be focusing on non-fiction texts and developing our VIPERS skills (vocabulary, infer, predict, explain, retrieve and summarise) to improve our comprehension of texts. We will be reading ‘Hidden Figures’ and ‘Curiosity’ to help inspire our writing.

As writers we will be learning to engage readers through our language as well as using more complex sentences with the aim of writing a detailed memoir. In addition, we will be looking at key language features and different writing structures for us to use when writing non-chronological reports. Each week, we will develop our spelling, grammar and punctuation through our Oxford Owl scheme.</td>
<td>As scientists we will be explaining gravity, describing the movement of the Sun, Earth and other planets. We will explore the Sun, Earth and Moon as spherical bodies. We will also be able to explain day and night.</td>
<td rowspan="2">As mathematicians we will be covering key objectives from the National Curriculum including:
Ordering and comparing numbers up to 1,000,000, paying particular attention to place value.
Rounding
Addition and subtraction, becoming fluent in a variety of methods and mastering vertical written methods.</td>
</tr>
<tr>
<td>In RE we will be developing our understanding of philosophy and exploring how people make moral decisions.</td>
</tr>
<tr>
<td>As geographers we will be recapping the Northern and Southern Hemispheres and Tropics of Cancer and Capricorn. We will also be learning about the lines of latitude and longitude as well as looking at different time zones.</td>
<td>In computing we will be making PowerPoints about planets of our Solar System, and using the internet to conduct research. We will also be using simulations to test a Mars Buggy.</td>
</tr>
<tr>
<td rowspan="2">In PSHE we will be setting ourselves goals for the year and discussing our role and responsibility within school and the wider community.</td>
<td>As artists we will be using materials and mixed media to add shape, texture and pattern to create moonscapes.</td>
</tr>
<tr>
<td>In music we will be learning to sing in unison to songs representing significant events.</td>
<td>In French we will be developing our written and oral skills when learning about different foods.</td>
</tr>
<tr>
<td>In PE we will be learning the rules and skills used in basketball and hockey, alongside participating in yoga lessons.</td>
</tr>
