Drayton C of E Junior School Curriculum Map

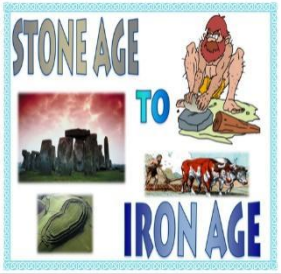

Year 4

Autumn Term 2

Stone Age to Iron Age

As readers we will be reading and discussing the following texts: The First Drawing by Mordicai Gerstein and Mr Wuffles by David Weisner

As writers we will be writing a description of a woolly mammoth, writing a historical adventure story and retelling stories in our own words focusing on pace and dialogue.

As Historians we will be answering the following enquiry questions:

What were the similarities and differences during the Stone Age, Bronze Age and Iron Age?
How do these changes affect our lives today?

As mathematicians we will be covering key objectives from the National Curriculum including:

- Exploring multiplication and division facts up to 12 x 12
- Preparing for the Year 4 MTC
- Working on our mental arithmetic skills

In RE and World Views we will consider how religious groups contribute to society and culture in the area around them. Significant figures include Mother Teresa and Ghandi.

As geographers we will be exploring Stone Age settlements and Iron Age hill forts.

As artists, we will look at cave paintings that have survived for thousands of years and create our own versions using charcoal, pastels and chalk.

We will also make stone age jewellery using salt dough

In PSHE we will be learning to accept and celebrate our differences and how to deal with bullying.

In music we will be learning songs and preparing for our Christmas performance.

In computing we will be learning about online communication and safety and carrying out research using the internet.

In PE we will be continuing to play invasion games such as netball and handball and practise mindful movements in Yoga.

In French we will be describing people and nationalities.
